ESPECIFICO de HAYWARD en POLVO

The cheapest and most effective Dip in the market.
It costs a fifth of the price of Tobacco Dips.
It is the easiest of application, cold water only required.
It is the only Dip that is so durable in the wool as to keep the sheep clean
and free from contagion from dipping to shearing, thus saving a great deal
of valuable time and labour, so the shepherds during the winter months
find it becoming the favorite Dip throughout the world, as it never fails
in the worst cases of Scab.
